Bachelor of Science(Mathematics)
Dr. Ram Manohar Lohia Awadh University

Ayodhya, india

Profile

I'm Neeraj Pandey, a motivated and detail-oriented web developer with a strong foundation in HTML, CSS, JavaScript, React.js, and Bootstrap. As a fresher, I am eager to apply my skills to build responsive and dynamic web applications, while continuously learning and growing in a professional development environment.

Technical_Skills

Skills — Html | Csss | JavaScript | React.js | Next.js | Bootstrap | Tailwind | Python | Sql

DataBase — Mongodb

others--- — Ms-Excel , Ms-word

Projects

Job Portal Web Application

Designed and developed a full-stack job portal using Next.js, React.js, tailwind and bootstrap css enabling seamless interaction between job seekers and recruiters with features like secure authentication, job posting, resume uploads, and dynamic dashboards. Integrated MongoDB for data handling and implemented role-based access for users and recruiters.

Portfolio

Developed a personal portfolio website showcasing my web development skills using HTML, CSS, JavaScript, React.js, and Bootstrap. The portfolio highlights my projects, technical abilities, and design sense, demonstrating my capability to create responsive and interactive user interfaces. Continuously updating it to reflect learning and professional growth.

Learning Management System(Lms)

I am currently developing a Learning Management System using React.js, focusing on building a responsive, user-friendly interface for students and instructors. My work involves integrating dynamic features, improving user experience, and ensuring seamless interaction with backend systems for efficient course management and performance tracking.

Certificates

- Course on Computer Concepts(CCC)
- Alteryx Designer Core Micro-Credential: Data Preparation
- Certificate for the Completion of RDBMS PostgreSQL Training
